General Information

The Severe Tropical Cyclone (STC) Narelle Recovery and Resilience Fund provides grant funding to support locally led recovery, resilience and preparedness activities in communities impacted by (STC) Narelle and associated flooding in March 2026.

The Fund aims to:

- Support community recovery and wellbeing following STC Narelle
- Strengthen resilience to future disaster impacts
- Improve disaster preparedness and readiness at a local level
- Deliver positive social, economic and environmental benefits
- Enable communities to identify and lead their own recovery priorities

Opening date:

27 May 2026

Closing date:

6 July 2026

Note: additional rounds may be made available

Eligibility Criteria

Who can apply?

The Fund is available in the following local government areas:

- Shire of Ashburton
- Shire of Exmouth
- Shire of Carnarvon

Eligible applicants may include:

- Impacted local governments
- Incorporated not-for-profit and community organisations (including environmental and sporting groups)
- Industry bodies or peak organisations where funding is sought solely to deliver eligible activities that provide direct benefit to impacted communities.

Funding **will not** be provided to support the normal operating costs or core business activities of industry bodies or commercial entities.

Applicants must demonstrate the capacity to manage funding and deliver the proposed activities in accordance with the Funding Agreement.

Eligible Activities

Projects funded under the Fund must contribute to one or more of the recovery, resilience or preparedness outcomes set out below. Activities must be locally led, time limited, proportionate to demonstrated impact, and clearly linked to community needs arising from STC Narelle

Recovery

Activities supporting wellbeing, psychosocial recovery and community reconnection following STC Narelle, including:

- Community events and initiatives that rebuild social connection and wellbeing
- Environmental restoration and re-planting and rehabilitation activities
- Repairs or restoration of damaged community buildings and assets where losses are uninsured or underinsured
- Engagement of community recovery officers or specialist personnel to support local recovery delivery

Resilience

Activities reducing vulnerability to future disasters by addressing risks and strengthening systems or local capability.

Examples include:

- Community-led risk reduction initiatives
- Business adaptation and resilience initiatives
- Environmental protection, mitigation and restoration activities

Preparedness

Activities improving readiness for future disasters through planning, training and capability development.

Examples include:

- Business continuity planning training and workshops
- Community emergency management education and training
